>go for entire year without any sort of mass shooting incidents
>Biden becomes president
>stories about violence against Asian-Americans suddenly start going viral in February
>"REEEEEEEEE it's because of Trump and white supremacists!"
>people start pointing out that it's actually mostly basketball-Americans robbing and randomly attacking Asians
>oh look, here's a stereotypical white redneck who shot up a Chinese massage parlor right as soon as Dems co-sponsor a big gun control bill :^)
